

# WELCOME TO ENGINEERING!!!

## USEFUL INFORMATION FOR NEW STUDENTS

Dean of the Department of Engineering:  
Prof. Ernesto Cascone

Department of Engineering– University of Messina

# *Degree Programme Coordinators*

Ingegneria Biomedica (L-8) — prof. **A. Pistone**.

Ingegneria Civile- **Civil Engineering** (L-7) — prof. **G. Sollazzo**.

Ingegneria Elettronica e Informatica (L-8) — prof. **S. De Caro**

Ingegneria Gestionale (L-9) — prof. **M. F. Milazzo**

Ingegneria Industriale (L-9) — prof. **S. Brusca**

Scienze e Tecnologie della Navigazione (L-28) — prof. **G. Mussumeci**

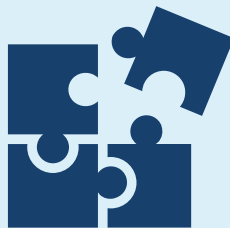

# *Director's delegates*

Disability and SLD: prof. A. Chinnì.

Internationalization: prof. C. Faraci and prof. F. Longo.

# *News and information about teaching*

Please check your degree programme website for programmes, timetables, alerts and news about courses.

From the Department website <https://ingegneria.unime.it/en>

Go to: Education → Bachelor's and Master's Degrees → choose your course → you will find all the information about your study plan, OFA, News, and Alerts.

Summary page of Degree Courses:

<https://ingegneria.unime.it/en/didattica/bachelors-and-masters-degrees>

Check also:

Academic calendar and Class schedule.

# Study rooms and Common Rooms

Where to find them 

Block	Floor	Student areas
A	4	402 Sala Rossa (common room); 403 Study room
B	5	530, 532, 535 Study rooms; 531 Sala Blu (common room)
C	6	660, 664 Study rooms; 662 Sala Arancio (common room)

# *Bar and dining area*

Block C, 5th floor (Department of Engineering)

090 676 2222.

Let's use the spaces with respect and follow the staff's instructions.

# *Basketball court and social benches*

New basketball court in the square in front of the Department's Aula Magna.

A space designed for inclusion, well-being, and socializing: use it responsibly.

Monday to Thursday from 4:30 p.m. to 7:00 p.m.,  
Friday from 1:30 p.m. to 7:00 p.m.

For the basketball, please contact the front office.

# TOLC-I & OFA

- OFA Test – university website page:  
<https://www.unime.it/didattica/verifica-delle-conoscenze-ingresso/verifica-delle-conoscenze-di-base/verifica>
- Document 2025/26 – Test OFA Engineering (PDF):  
<https://www.unime.it/sites/default/files/2025-05/2025-2026%20Verifica%20OFA%20-%20Test%20INGEGNERIA.pdf>

# Engineering

- Initial preparation check (**English TOLC-I – CISIA**)
- Test structure: 50 questions → Mathematics (20), Logic (10), Science (10), Reading comprehension (10) + English (30, not evaluated for minimum score purposes).
- Passing threshold: **18/50** in the main sections.
- Validity: sustainable from the penultimate year of school; valid nationwide at CISIA locations.
- Consequences: If passed → access without obligations. If not passed → OFA attribution.
- OFA fulfillment: passing the **Mathematical Analysis I** exam (even partially) or the OFA CISIA test.
- Failure to complete within the first year → enrollment as a “repeating student”.

# *Follow us on social media*

- Official Instagram account of the Department: @dipingunime – <https://www.instagram.com/dipingunime/>
- You can also find us on Facebook, LinkedIn, YouTube, and Telegram from the Department's website.
- Follow updates for events, deadlines, seminars, useful information, and alerts.

# *Respect common areas*

- The common rooms (Rossa, Blu, Arancio), study rooms, and dining area are shared spaces: please put everything back in its place after use.
- We are responsible for maintaining order and silence in the study areas, and we follow the Department's schedules and rules.
- If necessary, please contact the Secretariat or General Services.
